Subject

1. New items.
2. Obsolete items.

1) NEW ITEMS

FOM 800 series was developed to incorporate into one section all new and existing foster care policy regarding medical, dental and mental health requirements.

FOM 801, Health services for foster children policy.

FOM 801 includes the following policy subjects:

- New policy:
 - Continuity of care and the medical home model.
 - Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program, Well Child Exam and periodicity schedule.
 - Documentation of health requirements, follow-up health care, hospitalization and chronic health concerns of foster children.
 - Drug testing and screenings for foster care children and youth.
 - Routine, non-surgical medical care defined.
 - Medicaid Health Plans.
 - Child and Adolescent Health Center Program.
 - Children's Special Health Care Services.
- Health policy items from FOM 722-6, Developing the Case Plan and FOM 722-11, Authority to Consent removed from the respective FOM policy sections:
 - Medicaid card & Consent to Routine, Non-Surgical Medical Care and Emergency Medical/Surgical Treatment Card, DHS-3762.

- Medical Passport.
- Immunizations.
- Authority to consent for medical care.
- Foster care policy is revised or rescinded for the following items:
 - A dental examination is required for each child 3 years of age and older. This revision lowers the previous policy age requirement by one year.
 - Children entering foster care under 3 years of age, must have an initial dental exam within three months of his/her third birthday
 - The human papillomavirus (HPV) vaccination policy is rescinded. The HPV vaccination is considered a routine vaccination and does not require authorization from parent or MCI superintendent.

Reason: The above policy additions and revisions are based on federal Medicaid guidelines, American Academy of Pediatrics recommendations, DHS Legal Services, Office of Family Advocate and Health, Education and Youth Unit recommendations.

Communicaiton Plan: New items have been sent to the field via ten Health Series Memos located on the Health Information and Resources website <http://inside.michigan.gov/dhs/DeptSites/Cent-Off/ChildrensServices/Pages/HealthInfoandResources.aspx>
